Sub:- Utilization of Surplus Cabin Man in the category of Guards / ASMs.

Ref:- GMPNM item No. 36 of the minutes with NRMU held on 27.04.2010.

\*\*\*\*

The NRMU vide their above mentioned item has raised the issue that a large number of Cabinman are made surplus over Northern Railway and desired that they can be absorbed in the Goods Guard cadre against direct recruitment quota, so that such surplus Cabinman are re-deployed , which will help the administration to fill up the large number of vacancies of Goods Guards.

The issue has been considered and it has been decided that one time exemption for considering surplus and existing cabinman, Master/Cabin Signalmen for the post of Guard or ASM against direct recruitment quota be considered as per extant procedure.

Necessary action may be taken accordingly.

This is being issued with the approval of General Manager/NR.
